SPIRITUALITY IS THE GREAT UNTAPPED BUSINESS RESOURCE

Successful individuals and firms are changing the way they do business by accessing and utilizing a vast reservoir of untapped energy. Spirituality is the basis for success and the most important asset you have in elevating you and your business to a new level of performance. Your most important business asset for success is already within you...

Author Tom Zender is raising corporate consciousness and through his new book GOD GOES TO WORK he provides:

- Practical steps to rediscover the essence of the most successful transactions.
- How to use your spiritual assets in business to achieve better things with greater ease.
- Effective ways to implement these methods & utilize this amazing, untapped resource.

Bestselling author, Deepak Chopra writes "Tom's understanding of both spirituality and business has led him to the knowledge that the two are not separate entities—they are two sides of the same coin, and he deftly shows their integration in this timely book."

The world is finally ready to discover that spirituality is the very basis of all our most successful business transactions. GOD GOES TO WORK gives you the roadmap.

YOUR MOST IMPORTANT BUSINESS ASSET FOR SUCCESS IS ALREADY WITHIN YOU...

Recognized spiritual leader and corporate executive with decades of success, TOM ZENDER is President of Emeritus Unity that serves over three million people of all faiths worldwide. He has also held management positions at General Electric and Honeywell, and was a Senior VP in NYSE and NASDAQ listed corporations. His corporate board experience includes NASDAQ and Toronto Stock Exchange listed companies.
